

Philips Avance Collection Hand Blender

Make a variety of foods your way with SpeedTouch

This powerful Philips handblender with 700 Watt motor power, Promix blending technology and SpeedTouch button for intuitive control: The more you squeeze, the more power. With this hand blender you make fresh food results the way you like it.

Our eco passport

Philips wants to make the world healthier and more sustainable. To make this a reality, we have to keep thinking differently; pushing the boundaries of what is currently believed possible. We continuously innovate and deliver products and technologies that are positive for people and the environment. At Philips we call this Green Innovation.

We know this is important to you too. So we have developed an eco passport which explains the environmental performance of our products in the Philips Green Focal Areas, developed through our eco design process since 1994, enabling you to make conscious, informed decisions. An eco passport will explain the Green Focal Areas considered and applied in the specific product.
