

Philips Daily Collection Hand Blender

The Philips Daily Collection Hand Blender is 650W ProMix handblender with turbo function. The blender combines 650 Watt power, ProMix blending technology and Turbo function for smooth results even for tough applications. Thanks to the XL chopper and whisk accessories, it now also chops onions and whips cream.

Our eco passport

Philips wants to make the world healthier and more sustainable. To make this a reality, we have to keep thinking differently; pushing the boundaries of what is currently believed possible. We continuously innovate and deliver products and technologies that are positive for people and the environment. At Philips we call this Green Innovation.

We know this is important to you too. So we have developed an eco passport which explains the environmental performance of our products in the Philips Green Focal Areas, developed through our eco design process since 1994, enabling you to make conscious, informed decisions. An eco passport will explain the Green Focal Areas considered and applied in the specific product.

Energy

- On-mode: 650 Watt motor
- Off-mode: < 0,2 Watt
- Annual energy consumption: <2 kWh/year*

Packaging
