Important

Read this important information before you use the appliance and save it for future reference.

Danger

- Never immerse the appliance in water or any other liquid, nor rinse it under the tap.

Warning

- Check if the voltage indicated on the appliance corresponds to the local mains voltage before you connect the appliance.
- Do not use the appliance if the plug, mains cord or the appliance itself shows visible damage, or if the appliance has been dropped or leaks.
- Do not connect the appliance to a direct current supply.
- Always return the appliance to a service centre authorised by Philips for examination or repair. Do not attempt to repair the appliance yourself, otherwise the guarantee becomes invalid.

- If the mains cord is damaged you must have it replaced by Philips, a service centre authorized by Philips or similarly qualified persons in order to avoid a hazard.
- Never leave the appliance unattended when it is connected to the mains.

- This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved.
